DETAILED ACTION

1. Applicant's arguments, see pages 4 and 5, filed 7/29/03, with respect to all rejections based on 35 U.S.C. 102 as anticipated by Takeuchi which should have been made under 35 U.S.C. 103 have been fully considered and are persuasive. In view of the claims now amended the rejections of claims 1-2, 5-7, 10-12, and 15 based on Takeuchi's teaching have been withdrawn.

The rejections of claims 1-2, 4-7, 9-12, 14 and 15 under 35 U.S. C. 103 as being unpatentable over Barros et al in view of Wingefeld are also withdrawn in view of the now amended claims 1, 6 and 11 and applicants' argument.

Claim Rejections - 35 USC § 112

- 2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

 The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.
- 3. Claim 4, 9, and 14 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claims 4, 9 and 14, the disposal of disposable material through attack by a non-aqueous solvent does not further limit the parents claims because in the parent claims the disposal is done by ash-free combustion.

4. Claim 12 recites the limitation "disposable" in line 1. There is insufficient antecedent basis for this limitation in the claim.

Art Unit: 1742

5. claim 1, 2, 5-7, 10-11, and 15-21 are allowable.

6. An interview with applicant's attorney Stephen Ackerman on Oct. 6, 2003 was made to cancel claim 4, 9 and 14 and amend claim 12 to put case in condition for allowance but the agreement was not reached.

7. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ngoclan T. Mai whose telephone number is (703) 306-4162. The examiner can normally be reached on 7:30-4:00 PM Monday-Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Roy King can be reached on (703) 308-1146. The fax phone number for the organization where this application or proceeding is assigned is (703) 872-9306.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is (703) 308-0661.
